

Friends of Chicago Tutoring Connection,

As you may know, I am a board member with Chicago Tutoring Connection (f/k/a Cabrini Tutoring). However, I am more than just a board member as I have been a tutor with the program for six years. I started with my student when she was in second grade and this year, she graduated from Lincoln Park High School and will be attending the University of Missouri -St. Louis, in the fall.

I am reaching out to you as we will be holding our annual golf outing at Hilldale Golf Club in Hoffman Estates on July 18th. The proceeds will benefit our program which has served over 1,300 students since 1992. Over 90% of our graduates enter some form of post-graduate program and our 2019 graduates have earned over \$500,000 in academic scholarships.

This year, we lost a wonderful friend and supporter of the program, John Notorangelo. Because of his longstanding support and unwavering commitment to the program, this event is named in his honor as the John Notorangelo Memorial Golf Fundraiser Benefiting Chicago Tutoring Connection.

John Notorangelo joined Chicago Tutoring Connection (formerly Cabrini Connections) in the fall of 2011. John tutored and mentored the same student until his student graduated in 2016. After his student's graduation, John continued to stay involved in his life. For several years, John would bring his own young son, Luke, with him to tutoring sessions.

Upon his long-time student's graduation, John joined the Board of Directors and served as treasurer until October 13, 2018 when we suddenly and tragically lost John. He left behind his son Luke who was a Freshman at Central Michigan University and his beautiful daughter Bella who was in 8th grade.

In our efforts to continue his dedication and commitment, I am reaching out to you in the hopes that you will attend the outing and/or the dinner. We are also accepting donations in the form of money, 50/50 raffle purchases or items for a silent auction. Every little bit helps and your charitable efforts will go a long way to making sure more young adults are able to experience the unique one-on-one tutoring and mentorship our program offers

Please see the accompanying brochure for further details on the event. Online registration will be available shortly.

Thanks,
